BackToChurchSunday

September 25th 2011

BacktoChurchSunday is now the largest single local-church invitational initiative in the world. It is based on the simplest and shortest step in evangelism - that we should invite someone we already know to something we love; invite our friend to our church.

We want to ensure that anyone who doesn't currently attend church can be guaranteed an especially warm welcome.

We believe success isn't a percentage, a number, or a line on a graph. Success is one person inviting one person. We believe we best support success when all act together as One Big Church: personal invitations supported by national advertising - one message on one day. This is why we set a national day each year. This is always the last Sunday in September.

BacktoChurchSunday: 25th September 2011

Posters

Our posters are available in A4 and A3 portrait sizes to fit your notice board, with space for details of your BTCS service. They aim to remind your congregation to invite their friends. (Not designed for use outside the church.)

Invitation/Prayer Cards

These are perforated in the centre and should be completed with details of your BTCS service. Give the invitation away when you ask a friend to join you at church, and keep the prayer card to remind you to pray for them. Why not stick it on your fridge so you see it every day?

Gift Postcards

The postcard has been designed to complement this year's scripture passage: **'Stand up, pick up your mat and walk!' John 5:8**

There is space to enter information specific to your church. The postcards can be used as visual aids during the service, as reminders of the day, and as invitations to future services/follow up events.

T-Shirts

Why not deck out your welcome team in BTCS t-shirts so they can easily be identified? These have 'Welcome' printed across the front, and 'Back to Church Sunday' on the back.

Fair Trade Refreshments

One of the best ways to get to know new people is over food and drink. Our hospitality pack contains fairly traded produce to help you do this in an ethical way.

Back to Church Sunday is committed to using ethically sourced or fairly traded materials wherever we can.

We are delighted that Traidcraft are our sponsors and produce all our resources.
