# Lent meeting dates 2010

Lent is traditionally a time for reflection. And at the beginning of our diocesan strategy we designated 2010 as a year of reflection.

So what better than to dedicate this year's Lent meetings to reflect on what God has done among and through us over the past four years, and where we believe we should be going in the next few years.

The theme will be the same for each one: *Moving forward with hope*. The programmes may vary slightly but there will be several common factors:

This year the Lent meetings are being organised by the deaneries. They take place on a variety of dates (not all on Sundays this time), and the details for your deanery are below. The meetings will generally last two hours and will include refreshments.

- Local stories about attempted new initiatives.
- Opportunity in parish groups to analyse what has been done and discuss what could be done next.
- A DVD showing how parishes around the diocese have implemented the diocesan strategy, including a post-script from Bishop-elect Donald Allister.
- Reflective and inspirational address from one of the bishop's senior staff.
