

PETERBOROUGH CATHEDRAL

PATRONAL FESTIVAL FUN

A sunny day of fun and festivity was had by all at Peterborough Cathedral on Saturday 28th June, when the Cathedral celebrated its first ever 'PETERFEST' – a celebration of releasing ministry.

This colourful occasion provided many moments of delight for people from a variety of backgrounds and of all ages. From children's activities on the lawn to a Fish and Chip lunch to the serenade of soft jazz and finally a town centre parade and cathedral service with the release of 1000 red and yellow balloons (all with Petrine texts printed on them) - it was a day to remember!

We plan to hold a similar occasion next year, but in the meantime, all are welcome to visit the News and Events section of the Cathedral website (access via the homepage) to see fun filled images of the day:
