

The Diocese of Peterborough

Family care support

15 November 2011

Following press reports of an alleged theft of money from Family Care, the Diocese issued the following statement:

The Diocese of Peterborough was instrumental in the founding of Family Care, which is now an independent charity, and so we were very saddened to hear of its current problems. We are satisfied that the organisation's vital on-going work with vulnerable people is secure and that they have done all the right things to deal with this issue. We have confidence in Family Care as an organisation, will continue to support it, and encourage others to do so.
