

"My teacher told me that 'daily bread' is so much more than just bread or even food. It is everything we are thankful for which we pray for each time"

When reflecting on 'My Daily Bread', the children considered who or what is important to them and why they are thankful.

## PROJECT SPRING 2023

**MY DAILY BREAD**

Cows because they make milk.

Plants because they grow vegetables

Trees because they grow fruit and vegetables

What are we thankful for?

Farmers because they harvest crops.

Jobs because they allow parents to get money.

Transportation because they bring food from other countries.

Parents because they go to work to get money.

Pilots because they transport the food.

Taps and clean water because it allows you to stay healthy.

"Family is more than just the people we live with."

"I have a family in many places - at clubs, at school and at home"

To reflect on how Christians believe they are part of God's family, the children considered what family meant to them.

3.2.23 Reflection - Worship

'In Kingdom come, yours will be done  
On Earth as it is in heaven'

Does our Earth in 2023 depict an image of heaven?  
Is it a perfect place?

If it was, what would be different in the lives of yourself  
and the people around you?

I would have lots of  
pets and there would  
be no wars, people  
would live longer,  
no global warming,  
everyone had a  
home, no animal  
abuse, no depression,  
no one was poor.

Children considered  
whether 2023 was an  
accurate depiction of  
God's heaven.

"When I learnt about the  
Lord's Prayer, I realised it  
was helping Christians by  
being advice from God to  
do the right thing"

# THE LORD'S PRAYER PROJECT SPRING 2023

Someone is hurt - you ignore them and laugh.

Someone is hurt - you get a teacher.

Someone is hurt - you help them up and take them to first aid.

No our world in 2023 isn't a depict of heaven because there are things like pollution, wars and fights.

If there were no wars or pollution the world would be a peaceful place like heaven above.

The things that would be different in the lives of myself and the people around me if it was peaceful would be none of the people in our world be mean to one another.

There would be no global warming.

"The children were able to relate the Biblical references to 2023 by considering similarities and differences"

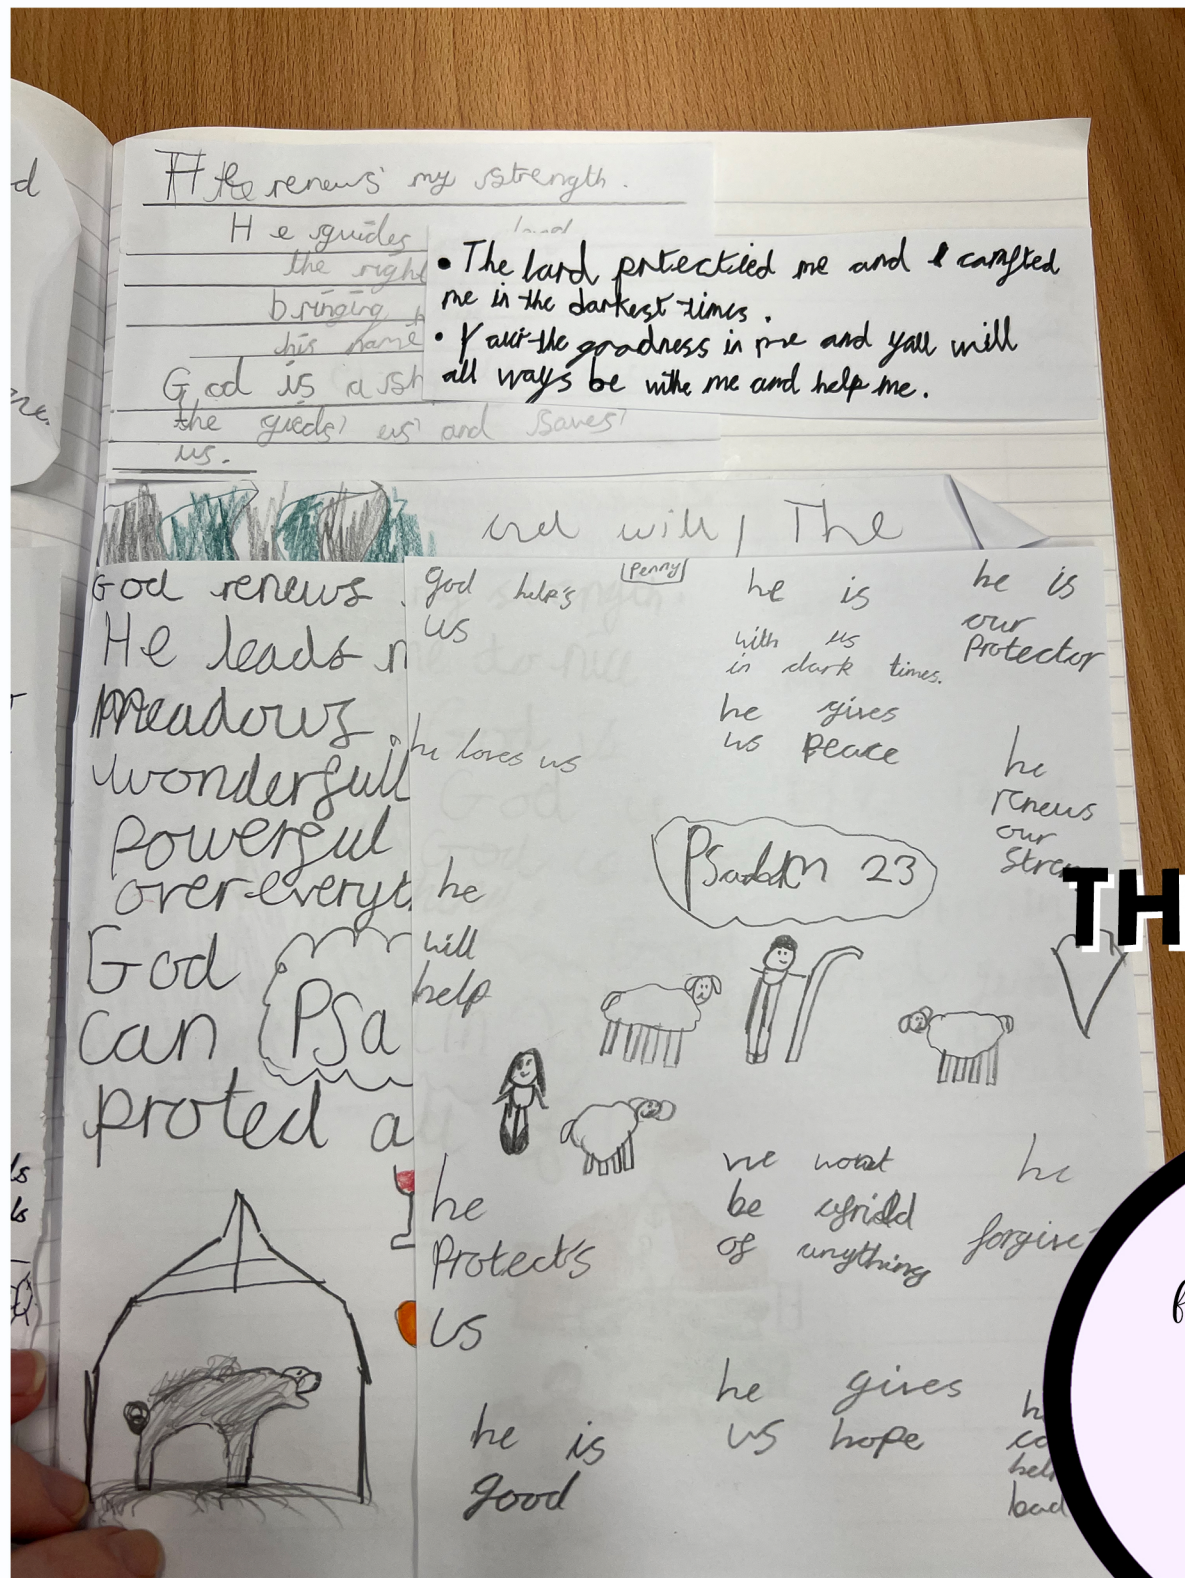

The Lord's Prayer encourages the children to stop, think and make the right choice.

Your friend is being unkind to someone, the worst thing to do is lie to a teacher or don't tell anyone and deny it ever happened.

The best choice to make is to tell an adult but not the full story and keep your friend out of trouble.

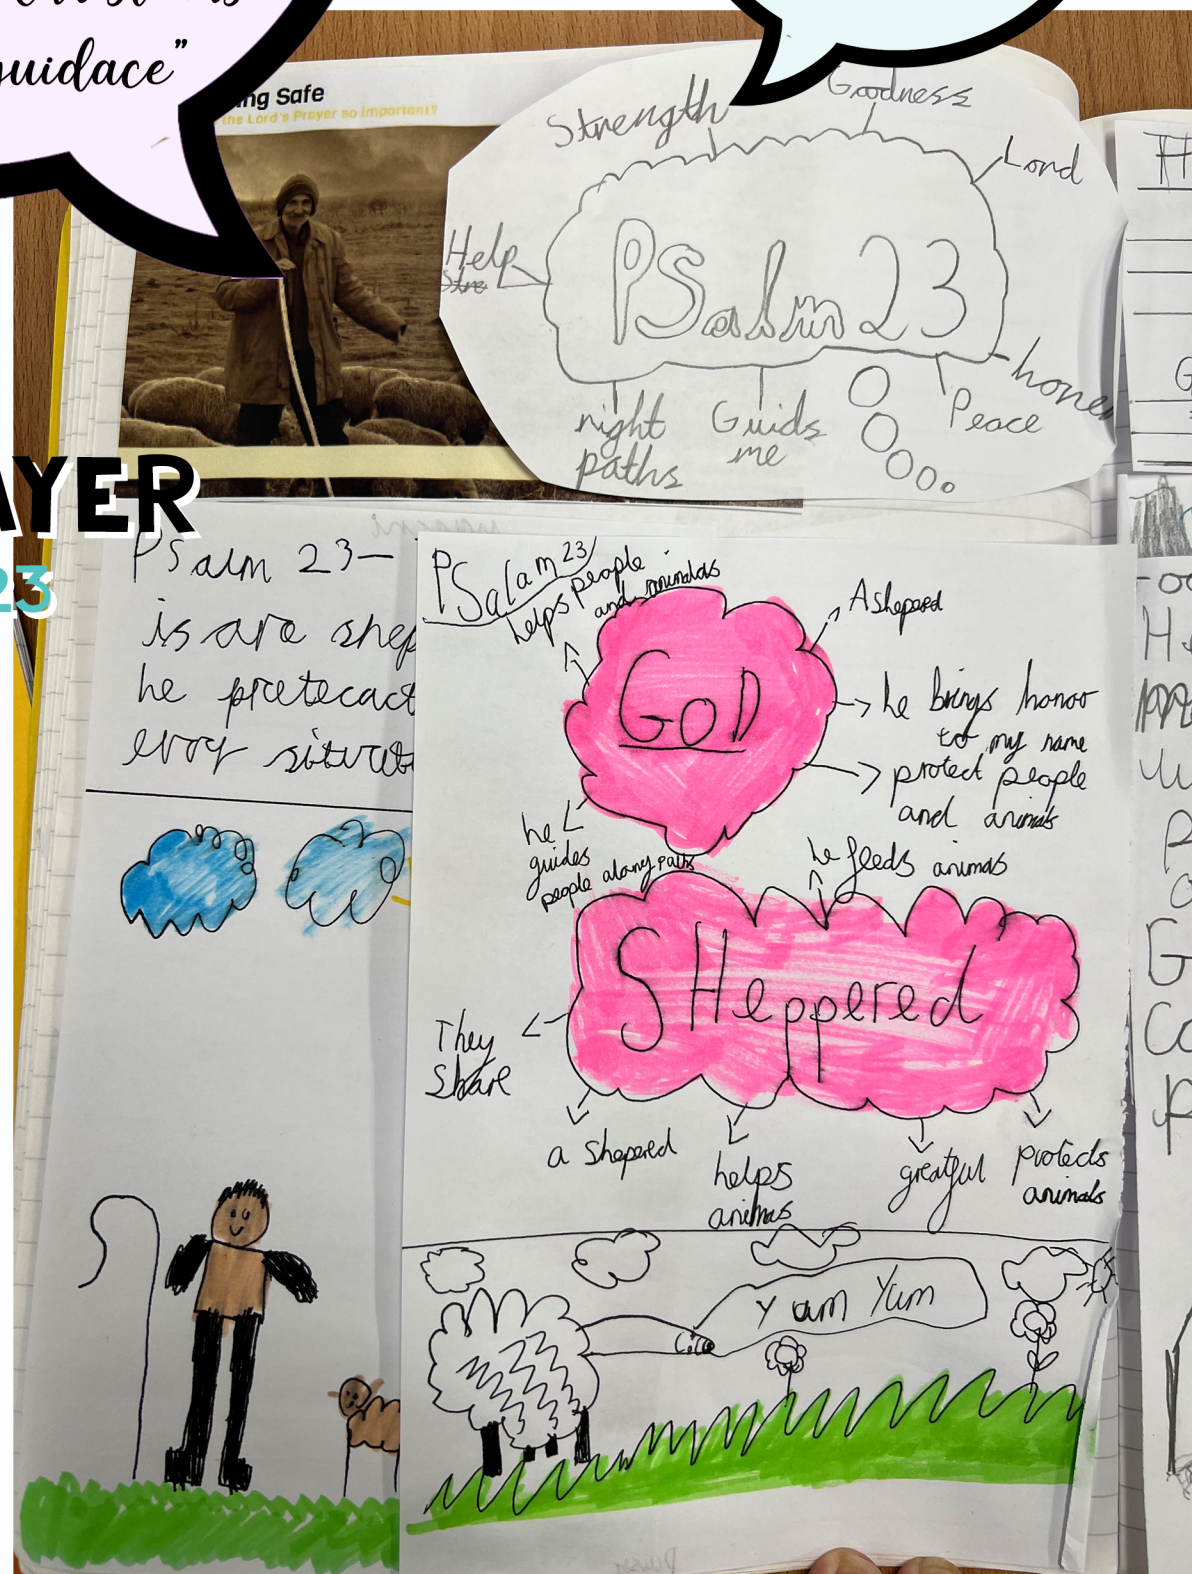

The best thing to do is to tell a teacher and tell your friend that what they have done is wrong.

"The Lord is my Shepherd showed me that Christians believe he is the leader of the flock similar to a farmer and Christians follow his guidance"

Children reflected on the meaning of 'The Lord is my Shepherd' and the deeper meaning of these words.

# THE LORD'S PRAYER PROJECT SPRING 2023

"Giving children creative free reign allowed them to feel confident in their own delivery - there was the opportunity to share their knowledge in their own style"

The children recreated Psalm 23 in a range of styles and considered how this is important in the Lord's Prayer.
