

FLICK LEARNING LTD

WELCOME TO THE EVOLUTION OF E-LEARNING.  
WELCOME TO FLICK.

# WELCOME TO FLICK LEARNING'S CATALOGUE OF COURSES.

We are a subscription-based e-learning company with **STANDOUT FEATURES** that you will not find elsewhere.

Our aim is to make the learning stick and for it to be as engaging as possible.

We work with subject experts to create accredited content for our ever-growing list of courses for your must-do training.

All our courses have been accredited by the CPD Accreditation Service, our health and safety courses are accredited by RoSPA, and some of our safeguarding content has Home Office approval.

Our incredible production team use interactive features, gamification, music and sound effects, alongside stunning imagery to keep you watching and paying attention to the content.

All courses come with accessibility features, such as professional voiceover and closed captions, which can be turned on and off.

Our courses are broken down into eight-minute learning topics and you can come and go as you please, we will save your progress.

All flick courses perform flawlessly on any size screen or device.

At the end of our courses, learners must complete a standalone assessment in order for them to receive that sought after certification.
