

At Picture News, we are passionate about using current affairs to inspire children, helping them understand the world around them, find their voice, and take meaningful action. The Picture News Impact Awards celebrate the incredible ways children, schools, and communities are making a real difference.

This year, the Picture News Impact Awards celebrate exceptional contributions to positive change, offering **Bronze**, **Silver**, and **Gold** awards to recognise outstanding efforts. Award winners will receive a special trophy and our brand-new Picture News Impact 2025 logo.
