Subject: For your schools in 2025 - Dance through RE with Springs!

I hope you are well. I'm just following up in the hope of you being able to share news of our workshops offer with schools in your network please? We still have some space for Easter 2025 and wouldn't want your schools to miss out!

Our RE dance workshops are an excellent addition to the school calendar and can help pupils engage with RE (Christianity) in a new and exciting way.

We would therefore love it if you would be able to include the below information in your next mailout or newsletter to schools in your Diocese? I have attached some PDF leaflets or there is some copy and a weblink below that you can use, so feel free to use whichever format is best.

The details cover a few of our current offerings of RE workshops for primary schools – **Easter Project, The Good Samaritan** and **Creation** – however do also check out our [website](#) for other workshops on offer all year round.

If you're looking for a way to inspire your teachers, how about booking one of our teachers to attend your RE leaders' or headteachers' conference? We can provide a Springs teacher, information table and taster workshops. If this would be of interest, please do get in contact as we would love to meet you and share more of our work in person with you.

Please do let me know if it is possible for you to share the above details or if you need any further information.

I look forward to hearing from you.

Creative and imaginative ways to boost children's engagement with RE and PSHE from Springs Dance Company!

"It has been incredible! I really didn't know what to expect, but wow! The team have been amazing with the children and had every single child engaged and on board. Their calm, yet fun and inspiring tone has been amazing and the children have responded so well!"

Deputy Headteacher, Great Horwood Primary School.

Springs provides an exciting way for children to interact with the RE curriculum through physical movement and creativity.

We are now booking for Spring – Summer 2025, and beyond:

- **[The Easter Project](#)** - These much-loved workshops provide a fresh and exciting way to explore the Easter story. The workshops can be delivered as a one-off day or a longer project and can culminate in an informal sharing or performance by the pupils.
- **[The Good Samaritan](#)** - Based on one of the Parables that Jesus told, these workshops provide opportunities for children to explore the importance of helping others and standing up for them, even if they are not like you. The workshops touch on themes of living in a multi-racial / multi-religious society.
- **[Creation](#)** - Introducing the Genesis narrative of creation in a fun, inclusive and engaging way through dance. Children will have the opportunity to explore some key concepts such as who made the world, what God is like and the relationship between creator and created.

Another popular workshop in the Spring or Summer is ***You Are Special***. Further details on all of our work for schools can be found at: <https://springsdancecompany.org.uk/join-in/>
