Peterborough

THE CHURCH  
OF ENGLAND

# Introduction to Studying the Bible being held in Peterborough

- **The aim is**  
to enable people who use the Bible with others to learn to read the text carefully and to ask the right questions of the text
- **The learning objectives are**  
to understand the different forms of literature found in the Bible  
to understand the importance of context when using Biblical texts  
to have some ability to ask the right questions when handling a Biblical text  
to gain confidence in applying Biblical principles to real life situations

## Introduction to Studying the Bible

This module will help you grasp of the content of the Bible in its context, including the different types of writing, the particular role of the Old and New Testaments, and a variety of ways of “reading” the Bible. Insights into how to approach Bible texts will be gained as major Biblical themes are examined.
