## The Bishop's Charity

**C**ollections at confirmation services, and other gifts sent to me for good causes, are forwarded to my nominated charity. From January 2013 until further notice this will be our Link Diocese of Bungoma, part of the Anglican Church of Kenya.

Bungoma is a very poor and largely rural area in the west of the country on the Ugandan border. I have chosen three projects to support - the Frederick Kwata Mission Hospital in Chebukwa, the new church primary school at the Madeleine Centre where most of the children are orphans, and the Wycliffe Centre which is the focus for in-service training of clergy and other ministers (many of whom have had no pre-

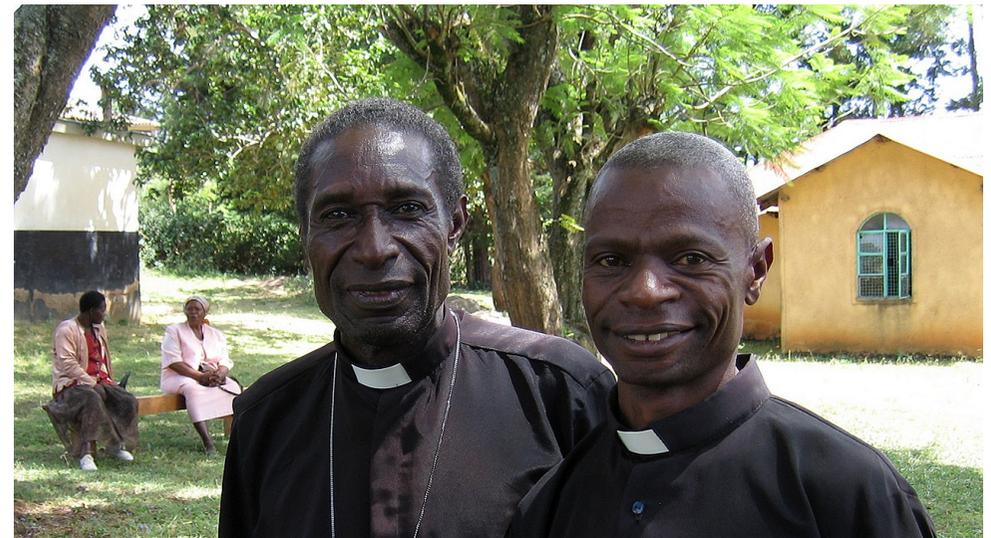

ordination training). All three are very inadequately funded and equipped. All three are vitally important. Gifts will be split equally between these three important projects unless donors specify otherwise.

Cheques should be made out to Peterborough Diocesan Board of Finance and addressed to:

Alex Low  
Bishop's Office, The Palace,  
Peterborough PE1 1YA.

I am very grateful for your support.
