

St Giles Church, Desborough—caring for our environment

- A challenge to all generations in our church to ‘take the next step’ in caring for our environment:
 - all age service based on this theme
 - Mini Church based on this theme
 - children’s groups focussing on the theme

Lent focus on caring for the environment, with children and adults in church encouraged to take part in #Live Lent

- Church Council target to work towards becoming an eco church
- Plans to become a community recycling centre for crisp packets :)
- A team from church working with the local community to improve and care for a community green space
