

Benefice of Great Doddington and Wilby and Ecton

- New wildlife areas in Ecton Churchyard and continued management for wildlife in Wilby and Great Doddington
- Changing the lightbulbs in Wilby Church to LED bulbs and using energy efficient bulbs in all three churches
- Reducing electricity consumption, by turning off outside flood lights as days get longer
- Reduced paper usage by changing the format of the monthly magazine in Great Doddington
- Encouraging people to share lifts to church and events
- Encouraging people to receive weekly and monthly publications by email
- Stopped using disposable plastic cups
- Recycling and composting wherever possible
- Using and supporting Fair Trade products
- Litter Picking
